

Storm 'OPL Deluxe' Commercial Ozone Laundry Unit

Commercial-Grade, All-in-One Ozone Laundry System for Mid-Sized Commercial Washers

Engineered for use in hotels, hospitals, long-term care facilities, athletic complexes, university dorms, and other locations where laundry operations exist. These units are designed to work with all washers from 30-pounds to 120-pounds of capacity

The Storm OPL Deluxe will revolutionize your laundry with a cart full of features, including:

- Wash Everything in Supercharged Oxygen – like using an industrial-strength Oxy-Cleaner
- Perfectly-Suited for Healthcare Linen – even for the 'heavy soil' stuff
- Supreme Deodorization – eliminates troublesome and persistent odors from BO, Bodily Waste, Smoke, Food, Mold and Mildew, Storage, Age, Etc.
- Superior Sanitation – ozone is the most powerful sanitizer available – kill germs in your laundry without polluting your building with cancer-causing THM's created by chlorine
- Clothesline-Fresh linen without perfumes or other chemical residues
- Big Reduction in Chemical Use – eliminate chlorine bleach; eliminate fabric softener; reduction of detergent use by 70% or more is highly recommended to eliminate harmful chemical residues, improve indoor air quality, and achieve a superior finished product
- Big Energy Savings – slash your hot water use: wash in cold water only: cut burden on boilers and hot water heaters; reduce burden on HVAC systems by using only cold water in the laundry; shorter drying times
- Big Water Savings – fewer fills and shorter wash cycles for most loads of laundry
- Huge Savings on Linen Replacement Costs – longer linen life: no more hot water and harsh chemicals can double linen life and cut linen replacement costs by 50% or more
- Fluffier Towels – remove chemical residues and hard water deposits to revitalize your towels after a few washes into the fluffy, outdoor-fresh towels that you want to bury your face in
- Hypoallergenic – eliminate chemicals your skin doesn't like and get better results too
- Softens Water – permanent magnet softens water to facilitate superior cleansing action
- Save Surface Water Supplies – greatly reduce chemical burden to our surface water
- Eliminate Chlorine Bleach – far-reaching health implications by eliminating a primary source of indoor air pollution – chlorine bleach in the washing machine
- Reduce Your Carbon Footprint Significantly – no hot water means many tons of carbon are not discharged into the atmosphere because no gas or coal is burned to heat it; fewer chemicals means less energy is used by the industry that brings them to us; longer lasting linen means fewer resources are used making new linens to replace them
- Reduce plastic waste – far less chemicals means far fewer plastic containers going to the landfill

- Significantly reduce Environmental Footprint: reduce fossil fuel use; reduce plastic waste; save surface water supplies; eliminate THM's and VOC's; longer linen life means less land, water, fuel, labor, etc. used making more
- Sustainable Laundry – move a long way toward a more sustainable operation
- Simple installation – Units can be installed in 30 minutes or less by most people
- Delivers 1.0 to 2.5 parts per million of dissolved ozone to your washer
- Digital Readout – clearly shows status of all operating parameters, with leak detection indicator
- Automatic operation
- No maintenance required
- Digital Control Panel shows:
 - a. Water temperature
 - b. Time unit is on during each fill
 - c. Water pressure indicator bars
 - d. Moving display to indicate water flow during each fill
 - e. Ability to turn ozone on and off

Technical Specifications:

Model	GLS ² <i>Storm OPL Deluxe</i>
Electrical	100-240 VAC; 50/60Hz; DC 12V 4.5A 55W
Water Pressure	20 – 90 PSI
Water Flow	25 gallons per minute (varies with water pressure)
Water Temperature	32° to 95° F
Dissolved Ozone Concentration	1.8 – 2.4mg/L (ppm)
Product Certifications	CE RoHS
Factory Certificate	ISO 9001: 2015
Energy Consumption	55 watts
Estimated Lifespan	5 years
Net Weight	15.4 lbs.
Product Dimensions	30.9" x 8.7" x 21.1"
